A Big 'Thank You' for Your Support in Organizing a Blood Donation Camp

Dear Sir,

It was indeed a grand experience at the blood donation drive conducted at your location. The response from donors was overwhelming, and it was quite inspiring to see donors stepping up with all the enthusiasm in contributing to the noble cause of blood donation.

Of the 33 registered aspirants, it is a pleasure to let you know that 29 Successful donors could donate!!! I would like to request you to please pass a word of appreciation from your side to donors. It would be quite an encouragement.

In case if there is anything that you would like to suggest us for improvement, please let us know. We, at Kai Wamanrao Oka Raktapedhi, will do all that is needed to make life better in subsequent camps at your and other sites.

Going by the support received, I am sure we will continue getting support from you, by periodically organizing blood donation camps from now on. Thanks once again for your regular support!!

Yours faithfully,

सुरेन्द्र बेलवलकर
